Member Achievements

Accolades to two of our members contributing to bowls at higher levels.

Keith (Tex) Seanard has been in Kuala Lumpur, Malaysia this week in his role as an ITO officiating at the 2025 World Cup where 12 international teams are competing across a variety of formats. Tex is one of 4 ITO's selected from Australia. Congratulations Tex on your appointment to such a prestigious event.

Chas McCormick has been appointed to the National Coaches Consultation Group. A group of coaches from across the country are coming together with a common goal to strengthen coaching at all levels of bowls by sharing ideas and best practices. Chas will be able to share his experiences from basketball and bowls to help consolidate a uniform approach to coaching and to developing bowls coaches. Congratulations Chas on your appointment.

As a Club we are proud to recognize the achievements of Tex and Chas
