

Banker Policy - Pennant Season 2025/26

Dear Pennant Bowler

The BBC board has endorsed the following Banker policy for Season 2025/26.

Bankers will be drawn from the 4th and 5th Saturday sides on a rotation policy across all positions.

Bankers for Wednesday or Thursday competitions will be drawn from the lowest team.

This is viewed by the Club as not an ideal situation but can't be avoided at times when our available playing numbers are in excess of that required. To help compensate the affected players we have decided each nominated banker will be issued a Voucher entitling them to free entry to (1) Social bowls on Mondays during the 2025/26 pennant season or (2) to either the Wednesday or Saturday Social bowls during the 2026 winter season. A voucher will be issued on each occasion i.e banked 4 times = 4 vouchers.

Please contact myself or any board member if you have questions in relation to this.

Regards
Peter Craig
President
